Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (3) of section 709.2109, Florida
Statutes, is amended to read:

709.2109 Termination or suspension of power of attorney or
agent's authority.—

(3) If any person initiates judicial proceedings to
determine the principal's incapacity or for the appointment of a
guardian advocate, the authority granted under the power of
attorney is suspended until the petition is dismissed or
withdrawn or the court enters an order authorizing the agent to
exercise one or more powers granted under the power of attorney.
However, if the agent named in the power of attorney is the
principal's parent, spouse, child, or grandchild, the authority
under the power of attorney is not suspended unless a verified
motion in accordance with s. 744.3203 is also filed.

(a) If an emergency arises after initiation of proceedings
to determine incapacity and before adjudication regarding the
principal's capacity, the agent may petition the court in which
the proceeding is pending for authorization to exercise a power
granted under the power of attorney. The petition must set forth

the nature of the emergency, the property or matter involved,
and the power to be exercised by the agent.

(b) Notwithstanding the provisions of this section, unless otherwise ordered by the court, a proceeding to determine incapacity does not affect the authority of the agent to make health care decisions for the principal, including, but not limited to, those provided in chapter 765. If the principal has executed a health care advance directive designating a health care surrogate, the terms of the directive control if the directive and the power of attorney are in conflict unless the power of attorney is later executed and expressly states otherwise.

Section 2. Subsection (5) is added to section 744.107, Florida Statutes, to read:

744.107 Court monitors.—

(5) The court may appoint the office of criminal conflict and civil regional counsel as monitor if the ward is indigent.

744.1075 Emergency court monitor.—

(6) The court may appoint the office of criminal conflict and civil regional counsel as monitor if the ward is indigent.

Section 4. Subsections (5) and (8) of section 744.108, Florida Statutes, are amended, and subsection (9) is added to that section, to read:

and expenses.—

(5) All petitions for guardian ~~guardian's~~ and attorney ~~attorney's~~ fees and expenses must be accompanied by an itemized description of the services performed for the fees and expenses sought to be recovered.

(8) When court proceedings are instituted to review or determine a guardian's or an attorney's fees under subsection (2), such proceedings are part of the guardianship administration process and the costs, including costs and attorney fees for the guardian's attorney, an attorney appointed under s. 744.331(2), or an attorney who has rendered services to the ward, shall be determined by the court and paid from the assets of the guardianship estate unless the court finds the requested compensation under subsection (2) to be substantially unreasonable.

(9) The court may determine that a request for compensation by the guardian, the guardian's attorney, a person employed by the guardian, an attorney appointed under s. 744.331(2), or an attorney who has rendered services to the ward, is reasonable without receiving expert testimony. A person or party may offer expert testimony for or against a request for compensation after giving notice to interested persons. Reasonable expert witness fees shall be awarded by the court and paid from the assets of the guardianship estate using the standards in subsection (8).

If the emergency temporary guardian becomes the successor guardian of the property, the final report must satisfy the requirements of the initial guardianship report for the guardian of the property as provided in s. 744.362.

(d)~~(e)~~ If the emergency temporary guardian is a guardian of the person, the final report must summarize the activities of the temporary guardian with regard to residential placement, medical condition, mental health and rehabilitative services, and the social condition of the ward to the extent of the authority granted to the temporary guardian in the letters of guardianship.  247 fiduciary bond to the clerks of each additional circuit court in
 248 which he or she is serving as a guardian. The bond must cover
 249 all wards for whom the corporation has been appointed as a
 250 guardian at any given time. The liability of the provider of the
 251 bond is limited to the face value of the bond, regardless of the
 252 number of wards for whom the corporation is acting as a

The policy must cover all wards for whom the corporation is acting as a guardian for losses up to \$250,000. The terms of the policy must cover acts or omissions of each agent or employee of the corporation who has direct contact with the ward or access to the assets of the guardianship. guardian shall exercise over the ward with regard to health care decisions and what authority, if any, the surrogate shall continue to exercise over the ward with regard to health care decisions ~~surrogate~~. Pursuant to the grounds listed in s. 765.105, the court, upon its own motion, may, with notice to the surrogate and any other appropriate parties, modify or revoke the authority of the surrogate to make health care decisions for the ward. Any order revoking or modifying the authority of the surrogate must be supported by specific written findings of fact. If the court order provides that the guardian is responsible for making health care decisions for the ward, the guardian shall assume the responsibilities of the surrogate which are provided in s. 765.205. For purposes of this section, the term "health care decision" has the same meaning as in s. 765.101.

Section 9. Section 744.312, Florida Statutes, is reordered and amended to read:

314 (c) Has the capacity to manage the financial resources
315 involved; or
316 (d) Has the ability to meet the requirements of the law
317 and the unique needs of the individual case.
318 (3) The court shall also:
319 (a) Consider the wishes expressed by an incapacitated
320 person as to who shall be appointed guardian.~~+~~
321 (b) Consider the preference of a minor who is age 14 or
322 over as to who should be appointed guardian.~~+~~
323 (c) Consider any person designated as guardian in any will
324 in which the ward is a beneficiary.
325 (d) Consider the wishes of the ward's next of kin, when
326 the ward cannot express a preference.
327 ~~(1)(4)~~ If the person designated is qualified to serve
328 pursuant to s. 744.309, the court shall appoint any standby
329 guardian or preneed guardian, unless the court determines that
330 appointing such person is contrary to the best interests of the
331 ward.
332 (4) Except when a standby guardian or a preneed guardian
333 is appointed by the court:
334 (a) In each case when a court appoints a professional
335 guardian and does not use a rotation system for such
336 appointment, the court must make specific findings of fact
337 stating why the person was selected as guardian in the

particular matter involved. The findings must reference each of the factors listed in subsections (2) and (3).

(b) An emergency temporary guardian who is a professional guardian may not be appointed as the permanent guardian of a ward unless one of the next of kin of the alleged incapacitated person or the ward requests that the professional guardian be appointed as permanent guardian. The court may waive the limitations of this paragraph if the special requirements of the guardianship demand that the court appoint a guardian because he or she has special talent or specific prior experience. The court must make specific findings of fact that justify waiving the limitations of this paragraph.

(5) The court may not give preference to the appointment of a person under subsection (2) based solely on the fact that such person was appointed by the court to serve as an emergency temporary guardian.

Section 10. Section 744.3203, Florida Statutes, is created to read:

744.3203 Suspension of power of attorney before incapacity determination.—

specific power of attorney should be suspended for any of the following grounds:

(a) The agent's decisions are not in accord with the alleged incapacitated person's known desires.

(b) The power of attorney is invalid.

(c) The agent has failed to discharge his or her duties or incapacity or illness renders the agent incapable of discharging duties.

(d) The agent has abused powers.

(e) There is a danger that the property of the alleged incapacitated person may be wasted, misappropriated, or lost unless the authority under the power of attorney is suspended.

Grounds for suspending a power of attorney do not include the existence of a dispute between the agent and the petitioner which is more appropriate for resolution in some other forum or a legal proceeding other than a guardianship proceeding.

(2) The motion must:

(a) Identify one or more of the grounds in subsection (1);

(b) Include specific statements of fact showing that grounds exist to justify the relief sought; and

(c) Include the following statement: "Under penalties of perjury, I declare that I have read the foregoing motion and that the facts stated in it are true to the best of my knowledge and belief," followed by the signature of the petitioner.

388 (3) Upon the filing of a response to the motion by the
 389 agent under the power of attorney, the court shall schedule the
 390 motion for an expedited hearing. Unless an emergency arises and
 391 the agent's response sets forth the nature of the emergency, the
 392 property or matter involved, and the power to be exercised by
 393 the agent, notice must be given to all interested persons, the
 394 alleged incapacitated person, and the alleged incapacitated
 395 person's attorney. The court order following the hearing must
 396 set forth what powers the agent is permitted to exercise, if
 397 any, pending the outcome of the petition to determine
 398 incapacity.

399 (4) In addition to any other remedy authorized by law, a
 400 court may award reasonable attorney fees and costs to an agent
 401 who successfully challenges the suspension of the power of
 402 attorney if the petitioner's motion was made in bad faith.

403 (5) The suspension of authority granted to persons other

409 (6) ORDER DETERMINING INCAPACITY.—If, after making
 410 findings of fact on the basis of clear and convincing evidence,
 411 the court finds that a person is incapacitated with respect to
 412 the exercise of a particular right, or all rights, the court
 413 shall enter a written order determining such incapacity. In

414 determining incapacity, the court shall consider the person's
 415 unique needs and abilities and may only remove those rights that
 416 the court finds the person does not have the capacity to
 417 exercise. A person is determined to be incapacitated only with
 418 respect to those rights specified in the order.

419 (a) The court shall make the following findings:

420 1. The exact nature and scope of the person's
 421 incapacities;

422 2. The exact areas in which the person lacks capacity to
 423 make informed decisions about care and treatment services or to
 424 meet the essential requirements for her or his physical or
 425 mental health or safety;

426 3. The specific legal disabilities to which the person is
 427 subject; and

428 4. The specific rights that the person is incapable of
 429 exercising.

430 (b) When an order determines that a person is incapable of
 431 exercising delegable rights, the court must consider and find
 432 whether there is an alternative to guardianship that will
 433 sufficiently address the problems of the incapacitated person. A
 434 ~~guardian must be appointed to exercise the incapacitated~~
 435 ~~person's delegable rights unless the court finds there is an~~
 436 ~~alternative.~~ A guardian may not be appointed if the court finds
 437 there is an alternative to guardianship which will sufficiently
 438 address the problems of the incapacitated person. If the court
 439 finds there is not an alternative to guardianship that

sufficiently addresses the problems of the incapacitated person,
a guardian must be appointed to exercise the incapacitated
person's delegable rights.

(c) In determining that a person is totally incapacitated, the order must contain findings of fact demonstrating that the individual is totally without capacity to care for herself or himself or her or his property.

(d) An order adjudicating a person to be incapacitated constitutes proof of such incapacity until further order of the court.

(e) After the order determining that the person is incapacitated has been filed with the clerk, it must be served on the incapacitated person. The person is deemed incapacitated only to the extent of the findings of the court. The filing of the order is notice of the incapacity. An incapacitated person retains all rights not specifically removed by the court.

(f) Upon the filing of a verified statement by an interested person stating:

1. That he or she has a good faith belief that the alleged incapacitated person's trust, trust amendment, or durable power of attorney is invalid; and

2. A reasonable factual basis for that belief,

the trust, trust amendment, or durable power of attorney shall not be deemed to be an alternative to the appointment of a guardian. The appointment of a guardian does not limit the

court's power to determine that certain authority granted by a durable power of attorney is to remain exercisable by the agent ~~attorney in fact~~.

(7) FEES.—

(c) If the petition is dismissed or denied:—

1. The fees of the examining committee shall be paid upon court order as expert witness fees under s. 29.004(6).

2. Costs and attorney ~~attorney's~~ fees of the proceeding may be assessed against the petitioner if the court finds the petition to have been filed in bad faith. The petitioner shall also reimburse the state courts system for any amounts paid under subparagraph 1. upon such a finding.

Section 12. Subsection (4) of section 744.344, Florida Statutes, is amended to read:

744.344 Order of appointment.—

(4) If a petition for the appointment of a guardian has not been filed or ruled upon at the time of the hearing on the petition to determine capacity, the court may appoint an emergency temporary guardian in the manner and for the purposes specified in s. 744.3031.

Section 13. Section 744.345, Florida Statutes, is amended to read:

744.345 Letters of guardianship.—Letters of guardianship shall be issued to the guardian and shall specify whether the guardianship pertains to the person, or the property, or both, of the ward. The letters must state whether the guardianship is

493 powers and duties of the guardian. ~~If the guardianship is~~
494 ~~limited,~~ The letters shall state whether or not and to what
495 extent the guardian is authorized to act on behalf of the ward
496 with regard to any advance directive previously executed by the
497 ward.

498 Section 14. Section 744.359, Florida Statutes, is created
499 to read:

500 744.359 Abuse, neglect, or exploitation by a guardian.—

501 (1) A guardian may not abuse, neglect, or exploit a ward.
